

Clark County
Nevada Chapter

OUR PURPOSE

The purpose of **Adopt-A-Cop Nevada** is to assign law enforcement officers to a family, group, or individual who will pray daily for them and send a note of encouragement, support and a thank you for their service to the community.

Imagine the powerful difference you can make in the lives of those who put their lives on the line for us every day! While a bulletproof vest gives a level of protection for our law enforcement officers, an even greater blessing and shield of protection can be found in the power of a faithful, praying believer or group of prayer warriors.

In addition to the high physical risk of their profession, officers often face common social challenges of addiction, divorce, and the loss of loved ones. The comfort, grace, and mercy that all people desire comes only from the one true God; through prayer and supplication we all are given the opportunity to live for a purpose, to have forgiveness in our heart and to find peace in life.

"I urge then, first of all, that requests, prayers, intercessions and thanksgiving be made for everyone — for kings and for all those in authority that we may live peaceful and quiet lives in all godliness and holiness." — 1 Timothy 2:1-2 (NIV)
